- Note: 1. Except for History subject, the question papers of each subject of the Junior Unified Examination are divided into Paper 1 and Paper 2. Paper 1 of History is a project report which is not completed during the UEC examination.
2. Except for Art subject, at the end of the first stage of each subject,
- there is an interval of 15 minutes in the morning. After the answer scripts of Paper 1 have been collected, invigilators may instruct all the candidates to leave the examination hall. They will then immediately distribute question papers and answer scripts of Paper 2. Five minutes before the examination, candidates may reenter the examination hall and fill in the "O" Answer Sheet (computer card) and get ready to attempt Paper 2.
 - there is no interval in the afternoon. Candidates may proceed to complete Paper 2 when the answer scripts of Paper 1 are being collected. In the case of History subject, candidates proceed to answer subjective questions in Section B of Paper 2 when the "O" answer sheet of Section A Paper 2 are being collected.
3. Junior Art examination will be conducted earlier on 16 October. In order to standardize the distributing time of question papers for Art and Fine Art & Craft, facilitate the collection of answer scripts by invigilators and the transfer of candidates to another test room, General Knowledge (Paper 1 Section B) and Applied Art (Paper 2) examination will be conducted in the morning, and Fine Art (Paper 1 Section A) examination in the afternoon.
